

ALCEA FINISHES

2K POLYURETHANE PERFECTION

McFadden's is proud to introduce a partnership with **ALCEA**, a leading Italian coating company producing Uretal 2K Polyurethane for the Wood Industry. A brand recognized for nearly 80 years for its superior value and proven results.

Alcea Uretal 2K Polyurethane Finishes represent the next generation of wood urethane technology, utilizing innovative wood finishing products with exceptional quality and performance. Uretal 2K Polyurethane coatings are ideal for anyone who wants to produce millwork to the highest industry standard; where surfaces are subject to higher levels of wear and excellent chemical/physical resistance is required.

ALCEA Uretal 5442 White Pigmented 2K Polyurethane Paint 25KG

WHITE URETAL P.U. PAINT - High coverage, quick drying, high surface hardness - 65% Solids - 50% catalyst

- Excellent chemical & moisture properties
- Superior durability - great scratch resistance
- Helps prevent cracking at the style rail and mitre joints
- High solids/high film building properties excellent flexibility, 10+ Dry Mills
- Super smooth to-the-touch
- Formaldehyde free

Packing & Sold In: each

ALCEA Uretal Pigmented 2K Polyurethane Primer 25KG

Universal primer, high solid, high hide 73% Solids - 50% catalyst

- Extreme pore filling properties 73% solids
- The best MDF primer available
- Very cost effective
- Powder sands in 30 minutes
- Formaldehyde free

Packing & Sold In: each

Item #	Description
ALC.5442.0000.25KG	2K Polyurethane Paint
ALC.9911.MS99.12.5L	Uretal Catalyst 12.5L

Item #	Description
ALC.5305.0090.25KG	2K Polyurethane Primer
ALC.9911.MS99.12.5L	Uretal Catalyst 12.5L

ALCEA Uretal 9942 Clear 2K Polyurethane

ALCEA Uretal Clear 2K Polyurethane Topcoat

- Higher Build Tolerance, 10+ Dry Mills
- Quick Dry Clear Sealer/Topcoat
- Amazing Clarity
- High Surface Hardness
- Formaldehyde Free
- Excellent Chemical & Moisture Resistance
- Superior durability

Packing & Sold In: each

Item #	Description
ALC.9942.R525.25L	Clear Poly 25 Sheen
ALC.9942.R510.25L	Clear Poly 10 Sheen

Alcea 9911 Universal Catalyst for Uretal 2K Polyurethane

Universal Catalyst for all Uretal 2K Polyurethanes

- 50% Catalyst by Volume
- Very Cost Effective
- Formaldehyde Free
- One Catalyst for Primer, paint and Topcoats

Packing & Sold In: each

Item #	Description
ALC.9911.MS99.12.5L	Universal Catalyst

C.A. Technologies EP-CAT-X-B-W-MCF Spray Gun with Aluminum Gravity Cup

- Lightweight with ergonomic handle
- Extreme material atomization
- Extreme transfer efficiency
- Extreme material application speed
- Ideal for solvent and water based coatings
- All stainless steel fluid passages
- Includes: CAT-X-B, 4 needle/nozzle setups(1.0, 1.3, 1.5, 1.7), 2 air caps, aluminum gravity cup, tools.

Packing & Sold In: each

Item #	Description	Price
CAT.X.B.W.MCF	E-PACK With aluminum gravity cup	\$649.99/ea

Air Assisted Airless Outfit with AAA Bobcat Gun

- Lightweight design
- Stainless steel fluid passages
- The handle is ergonomically designed to reduce fatigue and fit comfortably in any size hand
- Innovative trigger safety integrated into the gun to provide optimum safety
- Integrated fluid filter
- Includes gun and hoses
- Available in wall mount or with a cart

Packing & Sold In: each

Item #	Description	Price
CAT.OB14.W5.411B	Wall Mount	\$2799.99/ea

Wiping or Staining Rags

- Approx. 25 lbs/bag

Packing & Sold In: 25 lb bag

Item #	Colour	Price
MLC.BW10C	White	\$ 34.99/ea

Bobcat Air Assist Airless HVLP Spray Gun - B411 Tip

- Ergonomic Design
- Handgun Integrated Fluid Filter
- Best Transfer Efficiency
- Fine Finish Soft Spray
- 1800 PSI Working Pressure
- 100% Stainless Steel Fluid Passages
- Made in America

Packing & Sold In: each

Item #	Description	Price
CAT.BOBCAT.B411	Airless Tip	\$749.95/ea
